Opposition Raised To Extension Of Railroad Avenue

Pictured above is the proposed Board of Survey plan for continuing Railroad ave. from the end of its present acceptance along the southerly side of the Boston and Maine Tracks to Water st. Dotted line along southerly side of roadway indicates where land changes would take place. At extreme left adjacent to end of acceptance, Town would ask taking of 365 sq. feet. In center and along narrow strip of proposed roadway, Town would seek 520 square feet of land from Harvard Trust Co. In between these two Town would give Harvard Trust 376 sq. feet of land. At far right Town would seek taking of 862 sq. feet of land owned by Raymond Forrest.

"The extension" of Railroad ave. from its present end near the Arlington Center Railroad station to a point on Water st., would simply add another traffic bottleneck to the Arlington Center area.

This was the opinion expressed by Ray Forrest, property owner at the proposed new intersection at Water st. at a meeting of the Board of Selectmen Monday night.

The solution to the problem according to Forrest would be to have a traffic pattern with right hand turns only in and out of Railroad ave. at Mass. ave.

Several persons attended the preliminary hearing at the Board chambers including Mr. Forrest, attorney Francis Keefe and Robert Bowers of the Harvard Trust Co.

Selectman Secretary Frank Nicksay made it clear to those present that this was not a final hearing, but simply a preliminary hearing.

The final hearing is scheduled for February 4.

The plans proposed for the continuation of the street would provide for a piece of Town-owned land going to the Harvard Trust Co. and a similar small segment being taken by the Town from the bank property for the roadway.

Mr. Forrest objected to proposed plans which would take some 862 sq. feet of his property for the roadway.

May Be One Way

Members of the Board of Selectmen in answer to a query from Attorney Keefe explained that if the roadway goes through, the Avenue would probably be made one way from Mass. ave. to Water st.

Town Engineer W. H. Roby stated that the roadway would accommodate some 32 metered parking spaces, with parking provided for on both sides of the street.

In reply to a question by Mr. Keefe as to whether or not the Railroad station building would be torn down under this proposal, Selectman Greeley stated that this is not the case, but there is a possibility that such a request may come through another article at the Town Meeting.

A bit of humor was interjected at this point when the station was mentioned. Selectman Saul asked "We own it, don't we?"

Selectman Homer stated, "At least we think we do."

Attorney Keefe also questioned about the possibility of continuing railroad ave. across the tracks to Russell ter.

Selectman Saul answered this question by stating that the Railroad was not in favor of having another crossing in the Center area.

Woman Has Answer

An unidentified woman then stated that such a street would

be the answer to the problem because it would allow for traffic which would under the proposed plan empty onto Water st., to flow out three different streets.

This same woman echoed the words of Mr. Forrest when she stated that more traffic can't be put on Water st. because of the already heavy flow caused by the Post Office business, the bus route, the storage warehouse and the moving concern now located in the area.

Forrest told members of the Board that the roadway would not alleviate any traffic problems.

"It simply serves as an outlet for the parking area," he added.

Forrest stated that the Town should wake up after what has happened in the Center.

Selectman Greeley stated that the best consultants were hired to plan the present construction, and that it was not intended to hurt anyone.

Forrest then added, "Mr. Greeley, this is wrong. I won't stand for it. I will go to court first."

He then labeled the so-called "thousand islands" in the Mystic st. area a "Boo-Boo" and the Russell Common parking area a "Boo-Boo."

"Please don't cut into this property," he concluded.

Prior to the adjournment of the hearing Selectman Bullock motioned that the Chief of Police be requested to bring in his report relative to the matter.

\$500 TAKEN

A wallet containing \$500 was reported missing from the Thermo-Rite Sales Co., 191 Mass. ave., last Thursday morning.

Donald Humes, Proprietor of the business told police that when he entered the building he found the front door open and the wallet missing.

Meanwhile, Mr. Castanastro, 385 Mass. ave., told police that a coke machine in his building had been broken into Thursday night, and \$50 taken.

At the same time, a report was received Dec. 30 that the Fairmont Market had been entered. Entrance was gained by pulling off a screen from the rear window and breaking the glass. The cash box had not been disturbed.

SLED COLLISION

Mark Feeney, 8, 87 School st., was treated at Symmes hospital Dec. 29, by Dr. Castro for chin and possible internal injuries received while coasting down a grass embankment at the Junior High West.

According to police his sled collided with a car owned by Grace Locke, parked in the school parking area.

Board Approves Transfer Of O'Connell Taxi Co.

The five Hackney Carriage licenses (taxi) of Francis J. O'Connell were transferred to Dewey Mitchell by members of the Board of Selectmen at a meeting Thursday night.

Mr. Mitchell, proprietor of Dewey's Luncheonette and Dewey's Smokeshop and Variety Store at the corner of Mass. ave. and Railroad ave. made application for the licenses with one taxi stand on Mass. ave. and four stands on the westerly side of Railroad ave.

Attorney Daniel Buckley represented Mr. O'Connell at the meeting with the Board of Selectmen.

Mr. Mitchell stated that he was not purchasing any of the present O'Connell cabs, but planned on using other vehicles.

WARRANT OPEN

The Annual Town Warrant will open officially Wednesday, January 2, and will remain open until January 21 at 7:15 p.m. All articles to be acted on at Town Meeting must be submitted at the Selectmen's office, by the latter date and hours.

Meanwhile, it has been announced that the Annual Town Election will take place March 4. Polls will be open from 7 a.m. to 6 p.m.

The Annual Town Meeting will open March 18.

cles. He stated that at the beginning of the year when the transfer goes into operation he will use his own 1961 model car, and that he expects two new cars to be delivered between Jan. 1 and 10.

The new owner explained that he hoped to purchase two other vehicles in the near future, so that all five licenses would be used. He also noted that no one else would be allowed to use his license facilities.

Secretary of the Board of Selectmen Frank Nicksay explained to Mr. Mitchell that he would be granted each license as he came to the Selectmen's office showing that each individual cab had been insured.

No Use For Station

Mr. Mitchell also told members of the Board that he did not intend to use the present O'Connell facilities at the Old Railroad station, but that the present Variety Store would serve as taxi headquarters.

Selectman Joseph Greeley stated that he knew Mr. Mitchell as a man of fine moral character and had established himself as a good businessman.

Another member of the Board Arthur Saul stated that Mr. Mitchell had established a very fine business in the area.

Selectman John Bullock stated that there is the possibility that Railroad ave. might

The Board of Directors of the Arlington Department of Youth Services is pleased to announce the appointment of Mrs. Tina G. Howell as Director of the Department. This grant of \$10,000 for the year 1963 was made possible as a result of negotiations with Mr. Campbell G. Murphy, Director of the Special Projects Department of United Community Services of Boston. This represents the Board's first major step towards obtaining grant funds to staff the Department.

This grant has been made available through the Duncan Russell Delinquency Project of (Continued on Page 4)

become one-way sometime in the future. Mr. Mitchell stated that he is aware of that fact and that it would not make any difference.

Selectman Pellegrini moved that the transfer be made; it (Continued on Page 4)

Town Awaits Safety Program

January 4 and 5 are big days in the lives of many Arlingtonians. These are the two days when invaluable explanations on ice rescue will be presented in a series of programs promoted by the Spy Pond Association.

The first program will be held at the Arlington Boys Club at 4:30 p.m. for members of the Club; the second portion of the programs will be held for the benefit of the general public at 7:30 p.m. on the same night.

The final presentation will be made at the Arlington high school auditorium at 9:30 a.m. Saturday morning.

The necessity of such a program was brought vividly to life when a 12 year old youngster narrowly escaped death

because of the capable efforts of two trained members of the Arlington Boys Club staff.

Presenting the demonstrations will be the Rescue Division of the Cranston, R. I., fire department. This squad was formed some five years ago by Chief Waldo Holman and Lt. Ronald S. Jones, and now the Rhode Island community has an annual clinic for New England firefighters.

The program to be presented combines sound and color movies, with talk and demonstration by Lt. Jones, and will be beneficial to all who attend whether they are eight or eighty.

Although the near-mishap two weeks ago brings to immediate attention the lurking danger of thin ice, it is generally past statistics and observation of accidents and near accidents both winter and summer, that has prompted the shoreline residents of Spy Pond to sponsor this activity.

It is the ultimate aim of all these groups assisting in the sponsorship of the Ice Rescue and Safety Program, including the Arlington Boys Club, the Arlington Safety Council and the local press to help emphasize an individual's responsibility for himself and for others.

The ultimate goal of the Spy Pond Association, Inc., now promoting a four-part course, is to have young "Safety Observers" trained to recognize what situations are dangerous; to know whom to report to; to know what to do and most important to know what not to do.

It is the hope of this association that children in the vicinity of Spy Pond, or any water area in the Town of Arlington can be educated.

The new employee of the Town served as Director of statewide training course for social workers in 1961 and 1962 and in 1962 was admitted into the American Academy of Certified Social Workers.

He is married to the former Barbara Gormley of Lynn, who was a social worker in Lynn Welfare Dept. They have three children, John 3, Betsy 2, and Ann 9 months.

John F. M. Keane, 428 Lincoln st., Saugus at right, is congratulated by Temporary Town Manager Francis O'Hara and Katherine Kelley, Head Clerk at the office of Public Assistance, on his appointment as Director of Public Assistance in Arlington.

Mr. Keane takes over the position held for so many years by George Morse who is retiring this year.

The new Director attended Boston College where he received his B.A. degree in History and Government in 1954; he received his M.S.W. from the Boston College School of Social Work in 1959 and has completed a year at the Boston College law school.

He has served as a student case worker in Cambridge, field representative of the Lawrence District Office, Mass. Public Welfare Dept., case worker in the Public Assistance Agency in Stoughton and agent of the

Board of Public Welfare in Saugus.

Mr. Keane is a member of the Mass. Public Welfare Administrator's Association, Mass. Association of Relief Officers (President-1961-1963); Mass. Conference of Social Workers and National Association of Social Workers.

He has written a series of newspaper articles concerning Public Welfare and authored a book, published in 1962, "Orientation to Public Assistance in Mass."

The new employee of the Town served as Director of statewide training course for social workers in 1961 and 1962 and in 1962 was admitted into the American Academy of Certified Social Workers.

He is married to the former Barbara Gormley of Lynn, who was a social worker in Lynn Welfare Dept. They have three children, John 3, Betsy 2, and Ann 9 months.

Editorial

For The Life Of A Child

The March of Dimes, marking its 25th Anniversary this month, enters its second quarter of a century committed to a program which promises to surpass the agency's already magnificent achievements in giving the world the Salk and Sabin vaccines.

Following the victory over Polio, the National Foundation - March of Dimes has come to grips with the problems of birth defects and arthritis — the greatest cripples of mankind.

This is a formidable task, even for a health agency with the National Foundation's proved capacity for leadership and accomplishment.

An estimated 250,000 infants are born with significant birth defects each year in this country — one every other minute — and at least 42,000 children are among the 11 million Americans suffering from Arthritis or Rheumatic disease.

It is a fact that, although these are now leading causes of disability in children, adequate medical care for the great majority stricken by these and other chronic disabling diseases is just not available in this country.

Perceiving this gap in our health needs, the March of Dimes has moved quickly to establish treatment centers throughout the country which would make available the best possible medical care for children suffering from birth defects, arthritis and polio.

There are now more than 50 centers in this fast-growing network, a service to the community unmatched by any other voluntary health agency. In addition, millions of dollars are still needed annually to aid the thousands paralyzed by polio in former years.

The March of Dimes medical care program is predicted on the fact that early diagnosis and prompt continuous treatment can often correct or control disability.

The other immediate concern of the March of Dimes is to support research to find the causes and means of preventing these cripples.

Many March of Dimes-supported research studies are now under way, covering a wide range of the "life sciences." This research is already leading to greater understanding of genetics, heredity, the effect of drugs on living organisms, and other phenomena which may throw light on the mysteries of birth defects and arthritis.

A part of this great research effort will be the Salk Institute for Biological Studies which is being constructed with March of Dimes support at San Diego, Calif. Here famous scientists working with Dr. Jonas Salk, will seek new knowledge which may have a bearing on a host of human ills ranging from the common cold to cancer.

This is the imaginative, encouraging work we support by contributing to the March of Dimes. No one should need urging to respond generously when asked to "Give for the Life of a Child."

APPLICATIONS O.K.

The following applications for the renewal of Common Victualer's licenses were approved by the Selectmen on Thursday night: Arlington Center Delicatessen, Christos A. Angelou, The Armstrong Company, Thomas Azarian, Annette S. Baron, Alfred Bevilacqua, Alfred H. Brabant, Brigham's Inc., James Capandais, A. Robert Caterino, China Mill, Inc., Yervant Chorbajian-Minas Majarian and Coletian's Donut Shop.

Also receiving approval for licenses were Thomas B. Convery, Albert S. Coyte, Irving R. Crocker, August DeGeeter, Frank M. DiIago, Elena Di-Cenzo, Harry & Susan Dini, Doctoroff's Prescription Pharmacy, Inc., Francis T. Fagan, Falkson Drug, Inc., Louis F. Fantasia, J. Stanley Garrett,

Philip R. Harris and Noubor Jehlman.

Others receiving approval for licenses were Boghos Kaloosdian, Andrew F. Lentino, Samuel Mancuso, Dewey Mitchell, Morningside Pharmacy, Angela T. Nardella, William W. Perkins, Thomas R. & Anna M. Rawson, Regent Delicatessen Co., Charles Schultz, Charles J. Sorrentino, John Taves and Winchester Country Club.

IMPOSSIBLE

Police Chief Albert E. Ryan in a communication to the Board of Selectmen relative to traffic controls on Winchester rd. between Old Mystic st. and Hutchinson rd. stated that any attempt at a speed control program is impossible with the present limited personnel.

POLIO-BIRTH DEFECTS-ARTHRITIS

NEUTRAL
OBSERVER

Trust that all had enjoyable holidays as did the Observer.

Time is fleeting—the Town Warrant was opened officially this week and it's now only a month before candidates must file nomination papers for the March election.

The long-awaited Comprehensive Plan is to be presented to the Board of Selectmen a week from Monday by the Planning Board.

It is to be hoped that the entire picture of what is happening in Arlington Center and can happen in the future will be brought into a bit clearer focus.

Comment over the past two years has been: "Let's do something about the Center."

All right, to a certain degree it's been done, so that should satisfy. However, the common comment now is: "It's been done piece-meal—and therefore nothing is co-ordinated."

Those who have acted have been criticized because their action in some cases was said to have been not complete enough. Those who failed to act or would rather wish for the Comprehensive Report before taking action have also been criticized for not taking any action at all. Let's hope more light will be shed on the matter—and soon.

Meanwhile, businessmen in the Heights area are also seeking some relief for complained of traffic ills in that section of Town. They have asked for some of the lawn area off Park ave. to help alleviate the situation.

That this area of Town along with the Brattle st. section of Mass. ave. and sections of East Arlington deserve considerable attention should not be overlooked. Each of these sections has had its build-up in recent years and the growth potential is still there providing steps are taken to alleviate traffic problems if such do exist.

If there is a problem and merchants seem to believe there is then the time to inaugurate action is now, not after the shoppers become discouraged and take their business elsewhere or the merchants do likewise.

Politically, Arlington at the present time is very quiet. The big rush of "paper taking out" just after Thanksgiving has subsided, and unless a big rush takes place, it could be guessed at this point that the March, 1963 Election, could be a rather quiet one.

Rogers, Porteus and Homer have all taken out papers in the Selectmen's race. All on the "R" side of the political fence. Greeley and Clark have entered the fray from the "D" side.

Stan Whitman, an independent, is definitely out of the political picture. Stan told the Observer that he was interested last summer although temporarily employed in southeastern Mass. He hoped in July when he took out papers that he might be around Arlington once again by this year, but the wheel has not turned that way—and Stan will not run.

Desmond is the only entry into the two year School Committee fight at this time. Will

Jack Morine try it once again, that is one of the questions of the moment?

Morine must organize and re-group his forces. It is understood he was on the fence concerning whether or not to run at that point.

The three-year members of the Board would seem to have rather easy sledding at least at this point. Dr. Carter, Dr. Baker and Art Coughlin are the three seeking re-election, and no serious competition looms on the horizon.

Coughlin took out papers late last week, and it is expected that the other two will do likewise in the not too distant future.

—And Town Clerk Ann Mahon is officially running for re-election—took out papers last week.

APPROVAL GRANTED

The following applications for the renewal of Automobile Agent's or Seller's licenses, Class I, were approved by the Selectmen on Thursday night: Alewife Motors, Inc.; Arlington Buick Company; Arlington Sales, Inc.; Arrow Pontiac, Inc. and Atamian Rambler, Inc.

Others also approved were Automotive Service Co., Bonnell & Stokes, Inc.; Chrusz Motors, Inc.; Colonial Motors of Arlington, Mirak Chevrolet, Inc.; Mystyle Valley Motors Corp. and O'Connor Motors Company.

DALLIN PAGEANT Christmas cards were brought to life for parents and friends recently by pupils of the Dallin School.

Under the direction of Mrs. Marion Ryder and Miss Phyllis Atwood, the "Spirit of Christmas" was presented. Grandmother Dallin, played by Karen Kurker, reminisced about Christmas cards she had received during her lifetime.

In portraying the cards, the pupils of each class sang songs appropriate to Grandmother's description of the card.

Playing the parts of the Dallin family were: Father, Arthur Baker; Mother, Paula Erlanson; Children, Patrick Devlin and Joseph Judge; Grandmother Dallin, Karen Kurker.

Mrs. S. A. Moody Mrs. Sarah A. Moody, a former resident of Arlington, died in Needham Dec. 13.

Mrs. Moody, widow of Moses L. Moody, had lived at 48 Oxford st., Arlington, for many years before moving to Needham four months ago with her daughters Dorothy and Florence Moody who survive her.

Funeral services for Mrs. Moody were conducted Dec. 16 at Saville Chapel, with Rev. Robert C. Mezzoff and Rev. Charles E. Pederson officiating.

Burial on Monday was at Woodlawn Cemetery in Everett.

Spy Pond Tales

by Herb Yood

Arlington High's hockey team enjoyed a successful week as it rolled to its third and fourth straight victories, with a 2-1 squeaker over powerful Waltham High on December 26, and a 4-0 whitewash over Cambridge Latin for its last game of 1962.

The two wins boosted Arlington to undisputed possession of fourth place in the G.B.I. League, only two points or one game behind league leading Newton and Medford, and one point behind third place Brookline.

As has been the case all season, Arlington outgunned their Watch City opponents, this time by a 3-1 margin, with 19 shots to only six. Despite this wide edge, Waltham led 1-0 until the last five minutes of play, when Buddy Clarke evened it up on a short flip, and Charlie Toczylowski netted what proved to be the winning goal on a pass from Capt. Bob Fredo.

The Cambridge Latin game saw a first period flurry by AHS produce the only scores of the game. Paced by defenseman Bob Carr's two goals and an assist, Arlington took a 4-0 victory. Don Webb and Larry Capello also were lampshatters with Clarke and Richie DeCaprio chipping in two assists apiece, and Toczylowski a singleton.

At this point in the G.B.I. race, Arlington is tied with Newton and Waltham as offensive leaders with 21 goals apiece. Leading Arlington's goal production are, Fredo, Clarke, DeCaprio, Capello, and Toczylowski, all with three goals to their credit.

Defensively, Arlington, which has allowed only eight goals for a 1.33 average per game, is runner up to Medford's unbeaten aggregation and third place Brookline, both of whom have allowed seven goals for a 1.16 average.

Arlington's next three games are with the G.B.I. leaders, Brookline, Newton, and Medford on January 5, 9 and 19 respectively. Brookline's record is marred only by a loss to Newton and a tie with Medford, and needless to say, should be a tough nut to crack.

However, no matter how you look at it, these three games will be a big factor in deciding the G.B.I. race, and if past experience is of any significance, these three games ought to be the best played of the year.

Paced by Capt. Bob Keefe's 18 points, Arlington's improving basketball squad gave Coach George Lowder, a slightly belated Christmas present with its first Suburban League victory, 61-51, over Cambridge Latin on December 28.

Going all out right from the start, just as they have done all season, Arlington's quintet took a 15-11 lead in the first quarter, and increased the gap to 26-19 at the half. Cambridge began to close the gap in the third period as it scored 20 to Arlington's 17, but a fourth period AHS drive kept the pressure on, and Arlington won going away.

George Strob and Richie Sheehan also hit double figures with 11 apiece, and Pete Scully pitched in with nine. Arlington plays a home game against a strong Weymouth club on January 2, and away at Watertown on Friday at 7:00 p.m.

Coach "Red" Kelly's trackmen bowed to Quincy High by a 47-30 count in the Metropolitan Track League on December 29. Despite the loss, Arlington showed a great deal of improvement over its last showing.

Arlington's high individual scorer was Capt. Bob Kelly with a first in the high jump and a second in the 600. Steve Freyer also posted an Arlington first with a victory in the hurdles.

Arlington's other point scorers include Fred Nevala with a second in the 300, Bob Fisher with a third in the 600, Art Corbett and Dave with a second and third in the mile, Bill Glynn with a second in the shot put, and Stan Gardner and Ray Cross in the hurdles.

Students Attend Two Assemblies

By staging two distinct assemblies, all pupils at Arlington High had an opportunity to hear a program of Christmas music before going home for the holidays.

The girls' choir was the featured group at an assembly attended by seniors and freshmen, and the mixed chorus provided the music at another attended by juniors and sophomores.

Donald Bowie gave the Bible reading at the first assembly and served as master of ceremonies, and Kent Eklund served at the second. At both assemblies the entire student body sang two groups of familiar carols, concluding with the English folk song "We Wish You a Merry Christmas."

The choral groups were led by Richard McElhiney, and the orchestra by Richard Laman, members of the music faculty at the school. The program was arranged by L. Hassler Einzig, supervisor of music, who led the general singing of the carols.

Arlington Wins Two; Closes Gap

Another double win week moved Arlington high school's G.B.I. hockey team to within two points of first place.

A late surge gave the locals a 2-1 verdict over Waltham Thursday while a four goal first period rocketed the local team to a 4-0 win over Cambridge Latin, Saturday at Boston Arena.

The double victories by the locals coupled with a pair of victories by both Medford and Brookline sent the league into a four team scramble. Medford moved into a tie for the league lead with a 2-0 upset verdict over Newton Saturday. Medford with a 4-0-2 mark is the lone undefeated team in the league.

Brookline now has nine points, one behind the leaders, while Arlington with four straight verdicts, has surged to an eight point total.

In the Waltham contest the locals were unable to dent the nets as George McPhee played a brilliant game in the Watch City nets.

John Leger had moved Waltham ahead in the middle stanza as he fired a 30 footer into the Arlington cage.

Gordie Clarke grabbed a Bob Fredo rebound at 5:25 of the final canto and fired it by McPhee to tie the score. Then at 8:27 Charlie Toczykowski, assisted by Clarke and Fredo, netted the winning marker.

Defensemen set the pace for the locals in the Cambridge Latin contest with Bob Carr netting a pair and Don Webb another solo marker. Larry Capello added the final Arlington marker in a high-scoring opening period.

Arlington 2, Waltham 1
WALTHAM—G. McPhee; rd. Drury; ld. Chipman; c. Aichard; rw. Melanson; lw. Leger. Spares—Cormier, Crusco, Connolly, Bowse, Chamberlain.

Quincy Beats Arlington In Met Track By 47 - 30

Arlington high school's track team went down to its second defeat in Division II of the MET Track Loop in competition at the East Newton Street Armory, Saturday.

Quincy edged the locals 47-30 taking seven firsts to two for the local entry.

Dick Malvesti won the 300 for Quincy in 39.4 seconds with Fred Nevola of Arlington finishing second and Ed Gilligan of Quincy third.

Alan McCafferty of Quincy took top honors in the 600 beating Arlington's Bob Kelly and Bob Fisher in 1:22.8.

In the 1000 it was Dennis Coughlin of Quincy beating Phil Simonds of Arlington and Louis Tozzi with a time of 2:38.9.

Ron Casady took the mile honors for Quincy in 5:00.6 minutes with Art Corbett of Arlington and Dave Wellons of the locals finishing second and third respectively.

Arlington broke into the "firsts" column in the high jump with Bob Kelly taking top honors with a jump of 5 feet seven inches; Dick Kyperi of Quincy finished third and Dick Bigelow and Tom O'Connor of the winners finished in a deadlock for the third spot.

Arlington took a first in the hurdles with Steve Freyer racing to victory in 6.8 seconds followed by team-mates Stan Gardner and Ray Cross.

Quincy made a sweep in the dash event with Bob Fraher taking the number one spot with Gene Connolly and Wayne Fraher following.

John Consalvi of Quincy won the shot put with a toss of 48 feet 4 1/4 inches with Billy Glynn of Arlington taking the second spot and John McKinney of Quincy third.

The relay was won by the Quincy team of Bob Fraher, Dick Malvesti, Ron Casady and Al McCafferty.

The Chapter 90 and Chapter 782 programs for the Town of Arlington will be discussed by the Board of Selectmen at the meeting scheduled for Jan. 7.

Plan Water Safety Course At Arlington Boys' Club

Dave Mahoney, Swimming Director at the Arlington Boys' Club announced today that the American Red Cross will sponsor a Water Safety Instructors' course at the club. The course will begin Jan. 26, and end on or about May 4. It will be held every Saturday from 11:30 a.m. to 1:30 p.m.

Any boy or girl, 18 years or older with a currently valid American Red Cross Senior Life Saving Certificate, will be eligible to register for the course. Registrations may be made at the control desk in the club, afternoons and evenings during the week and all day Sat. from Jan. 7, 1963, until Jan. 25, 1963. There will be a pool fee for all those registering for the course. Applicants need not be residents of Arlington or members of the club.

Paul Dahill, an Arlington resident and Metropolitan Boston Chapter Water Safety Representative, will direct the program.

He is presently Director of Aquatics at Emerson College and a National Aquatic School Instructor.

The American Red Cross offers a similar course of instruction every year at Camp Kiwanee in Hanson, Mass., in cooperation with the National Aquatic School Program. Any person, successfully passing this course is qualified to teach swimming, Jr. and Senior Life Saving and to award certificates.

The first hour will be a lecture period on the progressions of strokes and teaching them, water safety and a thorough first aid course. The second hour will be devoted to practical work in the pool.

Physical Director Roy Fowler says that all boys are welcome to tryout for the Park League Team. Coach Bob Deegan will hold off on the final selection of players until the last tryout which will be held Jan. 9.

First Stringers Do Well, Seem College Bound

Arlington High's football team this year would seem to explode the old idea that to have the brawn to make the football team, one cannot be too bright. Of the ten seniors who were on the starting team, nine are college preparatory students.

One would naturally suppose that most of the starting line-up would be non-college students, and this is the case in many schools, but not this year's Arlington team.

One of the starting groups this year is a returning junior, and one is a student in the Technical and Vocational High, but the rest all plan to go to college.

This is an unusually high percentage of college preparatory students. What is more, they are really getting ready for college, for their College Board Examination scores are collectively very good.

The average score of the boys on the mathematics scholastic aptitude test was 595 out of a possible 800, and their average score on the verbal test was 490. Several scored well over 600 on their mathematics tests.

One of the boys, co-captain John Muttly, has already been appointed as a member of next year's freshman class at the U. S. Naval Academy at Annapolis. The others, while still undecided where they are going, definitely plan to attend college. They are John Cook, Robert Fredo, Stephen Freyer, Paul Muelo, George Strob, Paul

Tierney, Peter Valenti and Robert Warrington.

Athletic ability and brains sometimes do go together.

Dimes Drive Makes Start

Middlesex County mail carriers had only a short respite from the heavy Christmas mail. This week, in addition to the regular mail, they are delivering thousands of donation envelopes for the March of Dimes.

The postman's call signals the start of the 25th anniversary March of Dimes campaign of Middlesex East Chapter. Every home in the area is receiving one of the "mailers," according to Samuel A. Cammarata, campaign director.

Cammarata appealed for an early and generous response. He said that nobody's need is greater than that of a crippled child and pointed out that thousands of disabled children are not getting the best possible medical care.

Contributions will be used to provide care for victims of birth defects as well as those afflicted with arthritis and polio, leading causes of crippling and disabling of children.

Middlesex East and eight other chapters in Eastern Massachusetts are cooperating in sponsorship of a Birth Defects Center at Boston City Hospital, which is an important teaching and training institution for three Boston medical schools—Harvard, Boston University and Tufts.

In addition funds collected during the 25th Anniversary campaign will help Middlesex East Chapter continue its support for polio victims stricken before the Salk and Sabin vaccines became available.

Contributions will also help support March of Dimes research which may lead to breakthroughs in prevention and treatment of birth defects, arthritis and other diseases.

Noel Ball

The Arlington Senior Girls' Club "Noel Ball" was held at Longwood Towers the night after Christmas.

Christine Alessandrini was chairman of the dance, assisted by Martha Buzzell, and Wendy Cleveland. Girls working on the committee were Pat Shea, Chris Covell, Nancy Carlin, Phyllis Carr, Susan Doherty, Gail Gilbert, Karen Anderson and Angela Scozzari.

Also, Maureen Coffey, Pat Duffey, Carol Cacciamani, Linda Roghaar, Pattie Whitehouse, Rita Stanley, Martha Craven, Cheryl Butters, Charlotte Sullivan and Arlene Alberts.

Adult guests were Mr. and Mrs. Edward Whelpley, Mr. and Mrs. James Coffey and Mr. and Mrs. Howard Whitehouse.

The dance was attended by members of the Senior Girls' Club and Sophomore members of the Junior Girls' Club, which are jointly sponsored by the Cambridge YWCA and the Arlington Women's Club.

PALSY MONTH

Selectmen have proclaimed the month of January as Cerebral Palsy Month.

Howell

(Continued from Page 1)

United Community Services. Dean Charles Schottland of Brandeis University, Chairman of the Delinquency Project Committee of U.C.S. and his committee members have for some time been interested in and impressed with the efforts made in Arlington to abate the rise of delinquency and to promote the well-being of its youth population.

Mrs. Howell assumes her duties as Director on a full-time basis as of January 1, 1963. In this capacity, she will continue to develop with the Board proposals for special grant projects and to put into operation a number of services to be offered by the Department.

For the past two years, Mrs. Howell's services as a staff consultant to the Arlington Youth Council have been made available through United Community Services. Mrs. Howell will continue to offer this service.

The Board of Directors express gratitude to Dean Schottland and his Committee, to Mr. Campbell G. Murphy and to Mr. Raymond C. Chase, Director of United Community Services for having made this possible.

Mrs. Howell is no longer a stranger to many of us. In the two years she has been working with us in Arlington, she has worked closely with not only the officers and members of the Arlington Youth Council, but with the many agencies and organizations in Arlington, both public and private, who offer services to young people.

Mrs. Howell's professional background affords her the qualifications for this assignment. She obtained her BA degree from Brooklyn College and a Master's Degree in Social Work from New York University.

She is a New Yorker by birth but claims New England heritage by virtue of her marriage to Richard Howell from Medford, Massachusetts. She has been a resident of Boston since 1960 when she began to work for United Community Services as a Community Organization Consultant. Her assignments other than the Arlington one, have been as consultant to similar groups in Waltham and in Brookline.

For 15 years prior to moving to Boston, Mrs. Howell was on the staff of the Domestic Relations Court of New York City working first as a Probation Officer in both the Children's and Family Court and for the last 8 years as a Case Supervisor in the Children's Branch of that Court. While in that employment, she represented the Court on the NYC Mayor's Committee on Multi-Problem Families. Her court work in New York brought her into contact with many professional children's agencies as well as with citizen groups formed to combat delinquency.

Although trained as a teacher of foreign languages (Italian and French) and having taught in New York City for two years, it was not until her 2½ year enlistment in the WAC during World War II when she served as a First Sergeant that she decided to seek further training as a social worker.

She is certified as an Accredited Social Worker by the National Association of Social Workers.

Town Escapes Damage During Big Freeze, Storm

Visitor

Tammanur R. Pattabhiraman of Madras, India, was a recent visitor at the Robbins library. Guided by Trustee Mrs. Gordon P. Thompson, he saw various departments and answered questions about his homeland and special interests.

A graduate student at the Center for Cultural and Technical Interchange Between East and West in Hawaii, Pattabhiraman, who in India teaches organic chemistry to graduate students at the University of Madras, is making a special study of medicinal plants. A number which are found in Hawaii, he said, are similar to those in India.

He expects to return to India around June of 1964. Meanwhile, he enjoys Hawaii.

The Center for Cultural and Technical Interchange there is supported by the United States federal government and administered by the University of Hawaii. It is planned that the student body of the Center shall have students from East and West in the ratio of two from the East for each one from the West.

Arrangements are made permitting Easterners to study in the United States mainland for a few months, and for Westerners similarly to study in the Orient. Such studies require approval and appropriateness in relation to the special fields of the individuals concerned.

Pattabhiraman said he had found people in the United States friendly and had noted that they have ambitious programs.

Questioned about libraries in his home city, he said there was not only the library of the University of Madras, which is also setting up a library in another community, but a public library called the Connemara library.

ONE OF 107

Paul Brittan, 16, Arlington high school, son of Mr. and Mrs. Robert Brittan, 46 Westminister ave., is among the 107 persons taking part in a series of concerts planned by Greater Boston Youth Symphony Orchestra.

An open rehearsal by this group will be held at Boston U.S. Sargent Gymnasium, Jan. 6, at 3 p.m.; the public may attend free of charge.

This group will be in Arlington April 7.

Vice-president of the Board sponsoring this group is Von Weston of Arlington; H. Spencer Darmitzer is treasurer.

To Mr. and Mrs. Robert E. Cain (Marion G. Powers) of 19 Edmund rd., a daughter on Dec. 16 at Symmes.

Samuel A. Cammarata, left, Middlesex East Chapter's Campaign Director, congratulates Christopher J. Cammarata, Arlington Chairman, and George W. Rose, Associate General Chairman for the 25th Anniversary March of Dimes.

NEW MEMBER

Donald Ryan, 18 Standish rd., Arlington, has been approved as a member of the Boston Chapter of the National Association of Accountants.

Mr. Ryan is manager for the New England Mutual Life Assurance Company of Boston.

APPROVED

Members of the Board of Selectmen Thursday night approved the applications for renewal of licenses to operate lodging houses at the following locations:

Anna Auerbach, 24 Academy st.; John J. and Marion Carmo, 12 Russell ter.; Ralph Labriola, 385 Mass. ave.; and Harold F. and Katherine Moore, 22 Fessenden rd.

The applications for three other houses were granted tentatively pending further inspection.

A NEW PATH

Selectmen Thursday night discussed the possibility of constructing a pathway from Route 2 through a section of private property to the vicinity of the Dallin school so that the youngsters attending the school from that area would not have to walk along so much roadway.

SECTION OFFICERS

Four Arlington residents have been elected class section officers for the 1962-63 academic year at Wentworth Institute.

Gerald Falola, 44 Grove st., has been elected class section president; John J. Greco, 439 Appleton st., class section vice-president and Ronald Jackson, 74 Melrose st. and Carl Panza, 77 Avola st., class section reporters.

NOT YET

No New Year babies born at Symmes hospital, at least not at the time this paper was going to press.

PLEASANT ST. CHURCH

Morning worship at Pleasant Street Congregational church Jan. 6 at 10:45 will be conducted by Rev. Stuart C. Haskins. His sermon will be "The Divine Face".

The early service in Edith Fox Chapel will be held at 10 and church school classes will be at 10:45.

Monthly meeting of the Anna Bradshaw Guild will be held on Jan. 7 at 1:30 p.m. and on Wednesday, the Red Cross Sewing Group will meet at 10 a.m. in Fellowship Hall.

Formal Opening

The Arlington National Bank announces the Grand Opening of its new banking quarters on Friday evening, January 11th, from 7 to 9 p.m.

All are cordially invited to come and see the newest and latest banking facilities in the New England area.

KARL E. WEISS,
President

Ray Forrest of Water st. queries members of the board of Selectmen on proposed plans relative to new roadway from Railroad ave. to Water st. Plans call for taking of some of his property.

Hear Dr. Nicholas Wells

Dr. Nicholas Wells, Supervisor of Special Education in Mass. spoke on the "Heritage of Special Education" at the meeting of parents of the Elementary Special Classes at the Crosby school a week ago.

The Committee planning the program for the night included Mrs. David Leone, president of the Crosby P.T.A. and her Board of Directors, Miss C. Patricia O'Donoghue, principal of the Crosby school; and Mrs. Mary K. Moran, special class teacher at Crosby.

Mrs. Moran spoke to those present about the academic program carried on at the Crosby and the success of the integration of the pupils in the regular program.

Her Trainable class and the type of activities involved was also discussed.

She listed as essential qualities for success in this effort as deep faith, patience, love and understanding.

Mrs. Mary Dickinson, a teacher at the Cutter school spoke briefly on her reasons for teaching special classes.

Others in attendance at the

occasion included Harold McLean, Cutter principal and school committee members Mrs. Nelson Brown and Mrs. Albert Porteus.

Also present were Miss Joan Flanagan, Crosby teacher and president of the Teachers' Club and Mrs. Helen Littlefield, teacher at the Crosby.

Words of thanks were expressed to the Teachers' Club for sponsoring the Trainable Christmas Party and to Mrs. Mary Bertagna, dancing instructor and former Rockette for giving so much of her time in helping the Trainable class.

APPROVED

The following applications for the renewal of Juke Box licenses were approved by the Selectmen on Thursday night: Alfred Bevilacqua, Elena DiCenzo, Louis F. Fantasia, Dewey Mitchell and Charles J. Sorrentino.

To Mr. and Mrs. Edmund G. Ebert Jr. (Penelope W. Wiggan) of 12 Florence ave., a son on Dec. 14, at Symmes.

Pee Wee Hockey

Red Wings 4, Rangers 0
The Red Wings continued their winning ways with a 4-0 shutout over the ragged Rangers.

Tom Bluin started the scoring when he carried over the line near the left side and fired a sizzler into the corner. Jack Curtin fed Tom on the play.

Jack Hurley made it two when he slammed home Bob Shea's rebound from close to the net.

Bob Felicino took a pass from Tom Bluin and sent a slap shot into the strings from 10 feet out.

Jack Curtin wound up the scoring when he topped in his own rebound after a pass out from Bob Pellegrini.

Canadiens 2, Black Hawks 1
The Canadiens remained on top by tipping the Hawks 2-1.

Louis Paragona was the hero when he picked up a loose puck in front of the Hawks' net and slammed it home for the winning goal.

Jim Portesi tallied the first Canadian goal. He picked up a loose puck at center ice, swung the defence and placed it in the corner.

Bill Shea kept the Hawks in the game when he took a pass at center ice from Jim Nato, worked his way in close and dented the strings.

Rockets 5, Maroons 1
The Rockets, led by Dave Kennedy's two goals, blasted off on the Maroons 5-1.

Charlie Lynch opened the Rocket scoring when he fired one into the net after taking a pass from Tony Lyons.

Dave Kennedy tallied a neat pass near the net from Charlie Lyons.

Ralph Abruzzi made it 3-0

when he pushed the puck in after taking a feed from Dan McDermott and John Lyons.

Billy Thyne scored the lone Maroon marker when he took a pass from Tom Gillespie and blasted a long one off the inside post.

Dave Kennedy drilled his second goal into the case after a pass from Tony Lyons.

Dan McDermott finished the route when he rifled a high one into the right corner. John Lyons gained an assist on the play.

John Jackson did a great job in the Rocket's net.

Bruins 6, Leafs 1
Dan Diskin got the hat trick as the Bruins bombed the Leafs 6-1.

Kevin Flynn opened the scoring as he plucked the rubber in from up close on a pass from Tom Prior. Dan Diskin scored two in a row on quick breakaways from his own blue line.

Dennis Keating tallied the fourth goal assisted by Richie Walker.

Dan Diskin blasted home his third goal with a beauty high in the right corner.

Richie Walker finished the Bruins' scoring when he took a pass from Dennis Keating and sunk a back-hander.

Tom Russell, the hustling Leaf center, prevented a shut-out when he drove in close and, after some fancy stick handling, placed a neat shot in the corner.

	W	L	T
Red Wings	2	0	0
Canadiens	2	0	0

M. D. C. Needs Help

The Metropolitan District Commission urgently needs your help!

And so do the more than 70,000 motorists who'll be affected by an upcoming change in the traffic pattern to the west of Boston.

Beginning at midnight on January 2, 1963, and continuing for a full year, half of the Charles River Dam draw-bridge at the Museum of Science will be closed during the reconstruction of the span. The remaining half will be open to one-way traffic, with the direction alternating every 12 hours.

If a massive traffic tieup is to be prevented, especially during the first few days of the revamped pattern, it can only be achieved through a saturation campaign of accurate information, utilizing daily, weekly and Sunday newspapers, radio and television to maximum advantage.

Therefore, we are asking all media to cooperate in a simultaneous, systematic and non-competitive campaign to "re-educate" 70,000 drivers who

normally traverse the draw-bridge each day.

This office has been long-familiar with the effectiveness of weekly newspapers in reaching a maximum number of readers in their respective communities. Therefore, we will prepare a full story for your editions of December 26 and/or December 27, and, because of its importance, we earnestly hope you'll give it the prominence it requires.

What is especially important, however, is that NOBODY release a fragment of this story prematurely, until all media are supplied with accurate and detailed copy. The entire Leverett Circle area is the focal point for traffic emanating from several vital arteries and you can appreciate the chaos that might result if motorists were to be mis-informed or partially informed.

We'll be extremely grateful for any and all help you can provide.

Cordially,
John H. Luttrell
Director

New Stamp Design

The design of the new 5-cent American Flag postage stamp, which will be first placed on sale at Washington, D. C., on January 9, 1963, was recently announced by the Post Office Department, according to Postmaster Ephraim Martin.

A regular stamp, it will augment the new 5-cent Washington stamp which was also issued to meet basic first-class mail needs when postal rates increase next January 7. It will be 0.75 x 0.87, issued in panes of 100, with an initial printing of 400 million.

The American Flag unfurled in the breeze dominates the new stamp. Underneath the Flag is the White House limned in blue. To the left of the Flag's staff is the denomination "5c" in blue. The Flag is reproduced in true colors.

For the first time in postal history a regular stamp is being issued without the wording "United States" (or the abbreviation) or "Postage". The Flag is deemed sufficient designation that this is a U. S. stamp. However, three commemoratives appeared without these words—the 1, 2 and 5-cent Pilgrim Tercentenary issues of 1920.

A photograph of the White House by Abbie Rowe, of the Department of the Interior, was used by Robert J. Jones in designing the stamp. Richard M. Bower engraved the vignette. Outline frame and numeral are by William R. Burnell. The engraving of the White House appearing on the \$20 bill is based on the same view from the Ellipse.

Collectors desiring first-day cancellations may send addressed envelopes, together with remittance to cover the cost of the stamps to be affixed, to the Postmaster,

Washington 13, D. C. The envelopes to the Postmaster should be endorsed "First-day Caters 5c Flag Stamp".

The Post Office Department has also announced that an Emancipation Proclamation commemorative stamp will be issued next year as part of the centennial observance of President Lincoln's action that brought freedom to three million Negro slaves. Mid-February is to be the issue date of the new 5-cent stamp.

Dr. and Mrs. Arthur L. Cavanaugh of Arlington and Rockport, announce the engagement of their daughter, Anne Marie, to Mr. Francis Anthony Ennis. Miss Cavanaugh was graduated from Emmanuel College and is an art teacher in the Burlington, Mass., school system. Mr. Ennis, son of Mrs. Louis Ennis of Dorchester and the late Mr. Ennis, graduated from Boston College and is in his third year at Tufts Medical School.

A summer wedding is planned.

To Mr. and Mrs. Lester H. Ludlam (Susan M. Whitney) of 32 Crawford st., a son on December 14 at Symmes.

To Mr. and Mrs. Wilbur M. Tufts (Fern A. Hunting) of 1511 Mass ave., a daughter on Dec. 14, at Symmes.

Junior Chamber Announces Winner

The J. P. Henry home, left, at 48 Norfolk rd., won top award in the Junior Chamber of Commerce Christmas Lighting contest held during the holidays.

Second place was awarded to the Peter Praveses whose home is located at 87 Gray st.

Off - Season In The AYA

The AYA coaches' committee elected officers for the coming year at its monthly meeting. The officers include Cappy Capella, chairman; Paul Zani, vice chairman; and Bob Donnelly, secretary.

Also elected were officers for the executive committee, rules and publicity committees.

The executive committee, consisting of Joe Sliney and Jack Maguire of the junior league, Bob Donnelly and Paul Zani of the senior league, will arrange and supervise the schedule and assist Anthony Quattrocchi, baseball director, in supervision of the league program. Jack Maguire, Bill Norton, Joe Sliney, Paul Zani

and Phil Ligor make up the rules committee which will meet during the winter season to discuss the 1963 season.

Paul Zani and Phil Ligor head the publicity committee.

To Mr. and Mrs. Irving Stein (Dorothea M. Wormser) of 90 Cutter Hill rd., a daughter on Dec. 15 at Symmes.

REFERRED TO MGR.

Selectmen members at a special meeting held Thursday night referred to the Town Manager a communication from the Mass. League of Cities and Towns advising that the League has prepared a citation to be given annually to one of the Town's outstanding municipal employees and requesting that a questionnaire in regards to this presentation be filled out so that the matter can be handled as rapidly as possible.

The cost of living
may go up—but

Gas
Heat
rates
go
down

Our natural gas supplier has reduced its pipeline rates. This results in lower gas costs to the company which we pass on to you!

Now, at last, you can change to Gas Heat with the sure knowledge that it's not only the best and most modern, but it's going down in price.

What's more, your Gas Company backs up this rate reduction with a written GUARANTEE OF ECONOMY with every Gas Conversion Burner sold.

Use it and enjoy it for one full heating season, then... if for any reason you're

not 100% satisfied we'll take the conversion burner away and refund every cent you've paid on it!

Don't put it off. Change to low-cost Gas Heat now. Get a free estimate of the cost of heating your home under the new, low Gas heating rates. You can pay as little as \$1.16 a week for a Gas Conversion Burner. It takes only a few hours to install under normal conditions. Call us now.
